FOR IMMEDIATE RELEASE

MAINTENANCE BRIDGEWORK WILL CLOSE LANES AND RAMPS ON INTERSTATE 10 AND INTERSTATE 215

Riverside – The California Department of Transportation (Caltrans) will close lanes and ramps on Interstate 10 and 215 next week for maintenance work to replace bridge deck concrete. The closures are listed below:

1. Tuesday and Wednesday (September 28-29, 2004) Closures
 - ❖ The southbound I-215 connector ramp to the westbound I-10
 - ❖ The northbound I-215 connector ramp to the westbound I-10
 - ❖ The outside lane on westbound I-10 at the Santa Ana River
2. Wednesday and Thursday (September 29-30, 2004) Closures
 - ❖ On westbound I-10 – two outside lanes closed at the Colton/New York Avenue undercrossing
 - ❖ Orange Street on-ramp to the westbound I-10
 - ❖ The westbound I-10 connector ramp to the westbound SR-30
3. Thursday and Friday (September 30 – October 1, 2004) Closures
 - ❖ On eastbound I-10 – two lanes closed at the Colton/New York undercrossing
 - ❖ Tennessee Avenue on-ramp to the eastbound I-10

Your patience is appreciated during this maintenance work and Caltrans reminds you to be alert, pay attention, and prepare for reduced lanes.

Always **SLOW FOR THE CONE ZONE!**
